Experience

[Your Previous Work Experience Title] | [Your Previous Company Name] | [City, State] | [Dates]

* [Describe your responsibilities and achievements related to frontend development, including specific examples of micro frontend applications you worked on, CSS techniques used, and performance optimization efforts.]

[Optional: Another Previous Work Experience Title] | [Your Previous Company Name] | [City, State] | [Dates]

* [Describe your responsibilities and achievements related to frontend development, including specific examples of micro frontend applications you worked on, CSS techniques used, and performance optimization efforts.]

Projects

* **Food Delivery Frontend:** [Project URL](https://food-delivery-frontend-iqr6.onrender.com/)
    * Developed a fully functional React.js frontend for a food delivery platform, showcasing user-friendly features like ordering, tracking, and payment.

* Implemented responsive design using Bootstrap and CSS Grid to ensure optimal display across devices.
    * Optimized component rendering and API calls for fast loading times and smooth user experience.
* **Netflix Clone:** [Project URL](https://net-flixx-clone-bypraveen.netlify.app/)
    * Created a responsive Netflix clone using React.js, showcasing functionalities like movie listings, user profiles, and video streaming.
    * Applied CSS Flexbox to create a clean and aesthetically pleasing layout that adapts to different screen sizes.
* **Crypto Price Tracker:** [Project URL](https://cryptoprice-track-praveen.netlify.app/)
    * Developed a real-time cryptocurrency price tracker using React.js and a third-party API, featuring charts and real-time updates.
    * Utilized Bootstrap for styling and responsiveness, ensuring a user-friendly experience on various devices.

Education

[Your Degree] | [Your Major] | [Your University] | [City, State] | [Dates]

[Optional: Another Degree or Certification] | [Your Institution] | [City, State] | [Dates]

Awards & Achievements

* [List any relevant awards, certifications, or notable achievements.]

Please note: This is a customized resume template. You need to replace the bracketed information with your own details.
* Be sure to tailor your resume to the specific job description and highlight skills and experiences that are most relevant.
* Use strong action verbs and quantify your achievements wherever possible.
* Proofread carefully before submitting your resume.
